We understand that the next stage in your education is important and that there are a lot of decisions to make. Don't worry, we're here to help!

This guide is packed full of information about all our courses across all of our sites, showing the different levels, what they mean and what you can do after completing them.

CHOICE

Having six centres across Warwickshire and Worcestershire, each with their own specialist subjects, we can offer you a huge choice as well as specialist expertise that you won't find in school.

FREEDOM

At college you will be treated like an adult, focus on a subject you are genuinely interested in and discover a whole new group of friends.

LOCATIONS

Every site has regular bus or train routes running to them every day, so we are sure that there will be an option for you.

See wcg.ac.uk/transport for more information.

SUPPORT

Ensuring you are successful in your studies and beyond is something we take very seriously. Turn to page 10 to find out more.

RESULTS

- Over 96%* of our learners progress to further study, university, apprenticeships or other employment.
- WCG was awarded a 'Good' grade by Ofsted in March 2018.

*2022 leavers data

BTECs, A Levels, T Levels, Apprenticeships, Levels 1, 2 and 3... what do they all mean? It can be a daunting process deciding what to do after school when there are so many options.

The most important thing is working out what is right for you – which may be staying on at school or it could be coming to college. We want to help you reach your full potential in the subject(s) you feel passionate about - the ones that make you feel really excited to start your career. With a huge range of **technical and professional qualifications**, including **A Levels** and **T Levels** as well as other **full time courses** and **apprenticeships**, ranging from Entry Level up to Level 3 and beyond, we're sure we have something for you.

In this guide you will find lists of all our courses and the available levels. On the right is a table to show you the different qualifications you can achieve, the general grades you need for each level and what they can lead to... but don't worry if you're still not sure. Our expert tutors can help you decide on the exact course and level you should take depending on your predicted grades and your aspirations. All you need to do is pick the subject area you like and apply or come along to one of our Open Events to find out more.

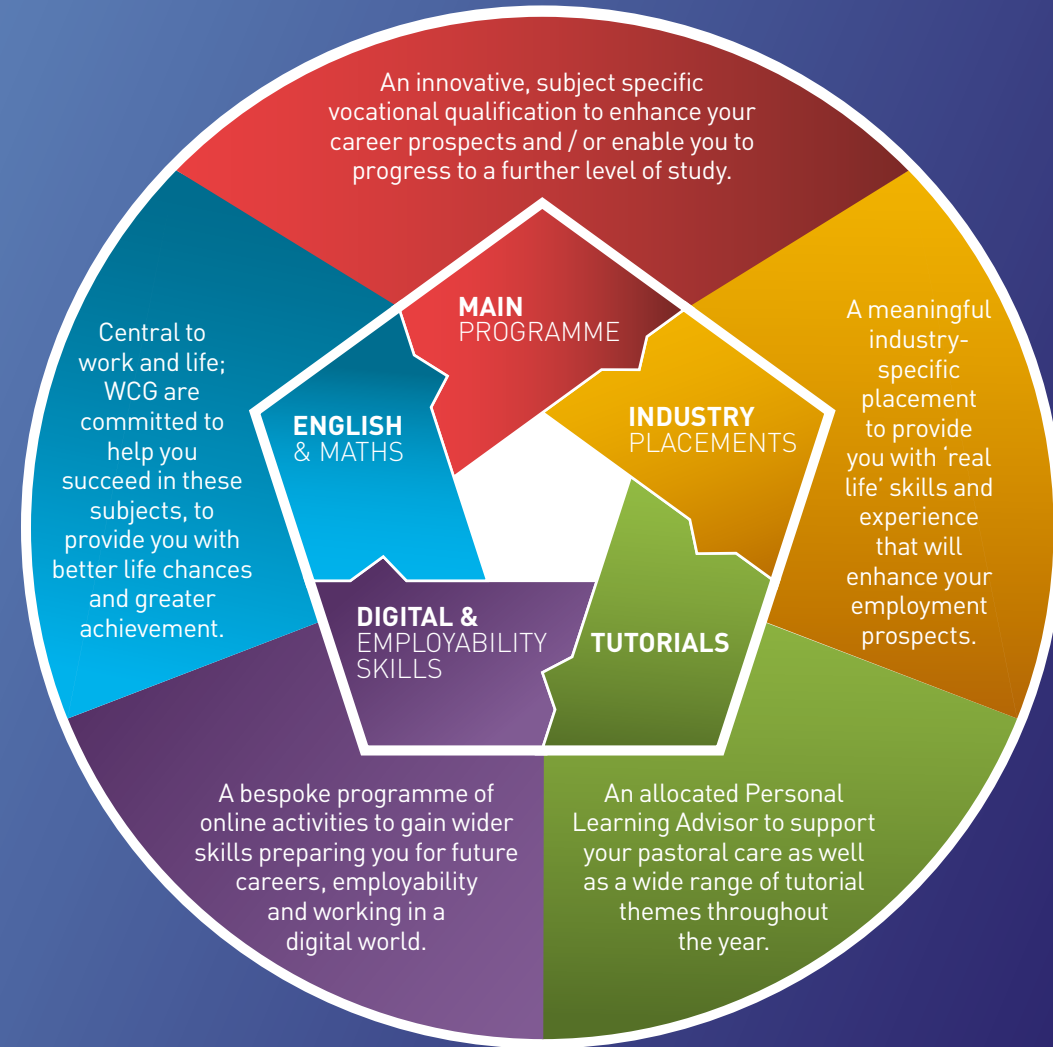

The table opposite shows all the course levels that we offer for school leavers. Subject and GCSE grades will dictate which level you start at.

LEVEL	QUALIFICATION	TYPICAL ENTRY REQUIREMENTS	PROGRESSION
ENTRY	Vocational Entry Level	No formal qualifications required to enrol on these courses	<ul style="list-style-type: none"> • Level 1 course • Supported Internship • Traineeship
LEVEL 1	<ul style="list-style-type: none"> • Foundation Learning Level 1 • Level 1 Diploma 	<ul style="list-style-type: none"> • Entry Level 3 Literacy and Numeracy • GCSEs grade 1 – 2 	<ul style="list-style-type: none"> • Level 2 course • Employment • Intermediate Apprenticeship
LEVEL 2	<ul style="list-style-type: none"> • Level 2 Certificate / Extended Certificate / Diploma - equivalent to between 1 and 4 GCSEs at grade 9 – 4 • Intermediate Apprenticeship (Level 2) <p>The certificates / diplomas are often referred to by awarding body name such as BTEC, City & Guilds, etc.</p>	<p>Typically you need to have:</p> <ul style="list-style-type: none"> • 4 GCSEs grade 3 inc. English and maths <p>or</p> <ul style="list-style-type: none"> • Level 1 qualification in a relevant subject 	<ul style="list-style-type: none"> • Level 3 course • Employment • Advanced Apprenticeship
LEVEL 3	<ul style="list-style-type: none"> • T Levels • A Levels • Level 3 Subsidiary Diploma (equivalent to 1 A Level) • Level 3 Diploma (equivalent to 2 A Levels) • Level 3 Extended Diploma (equivalent to 3 A Levels) • Advanced Apprenticeship (equivalent to 3 A Levels) <p>The diplomas are often referred to by awarding body name such as BTEC, CACHE, City & Guilds, etc.</p>	<p>Typically you need to have:</p> <ul style="list-style-type: none"> • 4/5 GCSEs grade 9-4 inc. English and maths <p>or</p> <ul style="list-style-type: none"> • Level 2 qualification with a Merit profile and GCSE English and maths grade 4 or above 	<ul style="list-style-type: none"> • Employment • University / college (Bachelor's or Foundation degree) • Higher Apprenticeship

At WCG we believe education is not just about the vital qualifications and knowledge you need to get ahead, but the essential transferable skills to help you on your next steps, whatever they may be. Because of this, we offer unique learning opportunities in a supportive, friendly environment.

You can see a summary of what you can expect when you join us as a student in the diagram on the right hand page.

SAFEGUARDING

There is a full Safeguarding Team at all WCG colleges. Students can speak to any of the team at any time if they have concerns.

WELFARE, HEALTH AND WELLBEING

Staff at WCG are available to advise and signpost on a wide variety of issues in a non-judgemental and open environment. The team have input into tutorials on relevant health and wellbeing topics. The Mental Health Support Team and college counsellors support students and the college nurse is available to residential students.

STUDENT ACCOMMODATION

We offer on-site student accommodation at two of our colleges; **Royal Leamington Spa** and **Moreton Morrell**. A residential bursary can help those eligible with the cost of accommodation and a range of packages are available.

wcg.ac.uk/accommodation

LEARNING SUPPORT

The Academic Learning Support team are qualified teachers who are either maths or English specialists and provide help with essay writing, maths, English skills and more at all colleges. Support is flexible and can be arranged to fit in around student timetables. We also offer 'drop in' sessions for all students at lunchtimes.

INCLUSION

Our Inclusion Team will support you if you have specific learning needs or an Education, Health and Care Plan (EHCP). Specialist support is available for learners with dyslexia, ASD (autism spectrum disorder), hearing or visual impairment, physical needs and emotional needs. The team provide Access Arrangements for examinations and assistive technology to support independent learning.

They provide support to learners transitioning from school and offer a Preparation for Adulthood package. Learners' needs are looked at on an individual basis and support is put in place to help students be successful on their course. If you require further details please contact us to discuss your individual support needs.

wcg.ac.uk/learningsupport

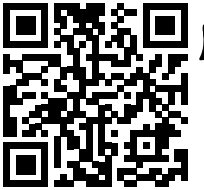

FINANCIAL SUPPORT

The 16-19 Bursary Fund exists to help young people who face the greatest barriers to continuing education or training. There are grants for transport costs, books and equipment.

- On site sports hall, gym and all weather pitch
- Restaurant and shop
- Power Academy
- 5 minute walk from Rugby train station
- Regular shows from our Performing Arts students
- Four hair and beauty salons offering treatments to the public

MORETON MORRELL COLLEGE

Moreton Morrell, Warwick, Warwickshire, CV35 9BL

@MoretonMorrellCollege

@MMCollegeWCG

@MoretonColWCG

@mmcolwgc

Moreton Morrell College is a stunning place to study and to live. It has 650 acres of countryside - giving our land based students a fantastic 'real life' learning environment.

WHAT'S ON OFFER

- Agriculture
- Animal Welfare
- Construction
- Countryside Management
- Equine and Farriery
- Leamington FC Football Academy
- Floristry
- Sport
- Supported Learning Courses
- Apprenticeships (inc. Veterinary Nursing)

ENJOY

- Working commercial livestock and arable farm enterprise with a large beef herd and sheep flock
- Stables for over 100 horses so you can bring your horse with you while you study
- State-of-the-art purpose built farriery teaching centre alongside two blacksmithing forges
- Sports hall and all weather pitches
- Equine Centre hosting year-round events and competitions
- Animal Centre with extensive range of animals including exotics, reptiles and mammals
- Bespoke construction workshops
- Halls of residence

WARWICK TRIDENT COLLEGE

Trident Park, Poseidon Way, Warwickshire, CV34 6SW

 @WarwickTridentCollege

 @TriCollegeWCG

 @TridentColWCG

 @tricolwgc

Warwick Trident College is unashamedly dedicated to engineering and motor vehicle study, with a highly professional atmosphere as well as excellent facilities.

WHAT'S ON OFFER

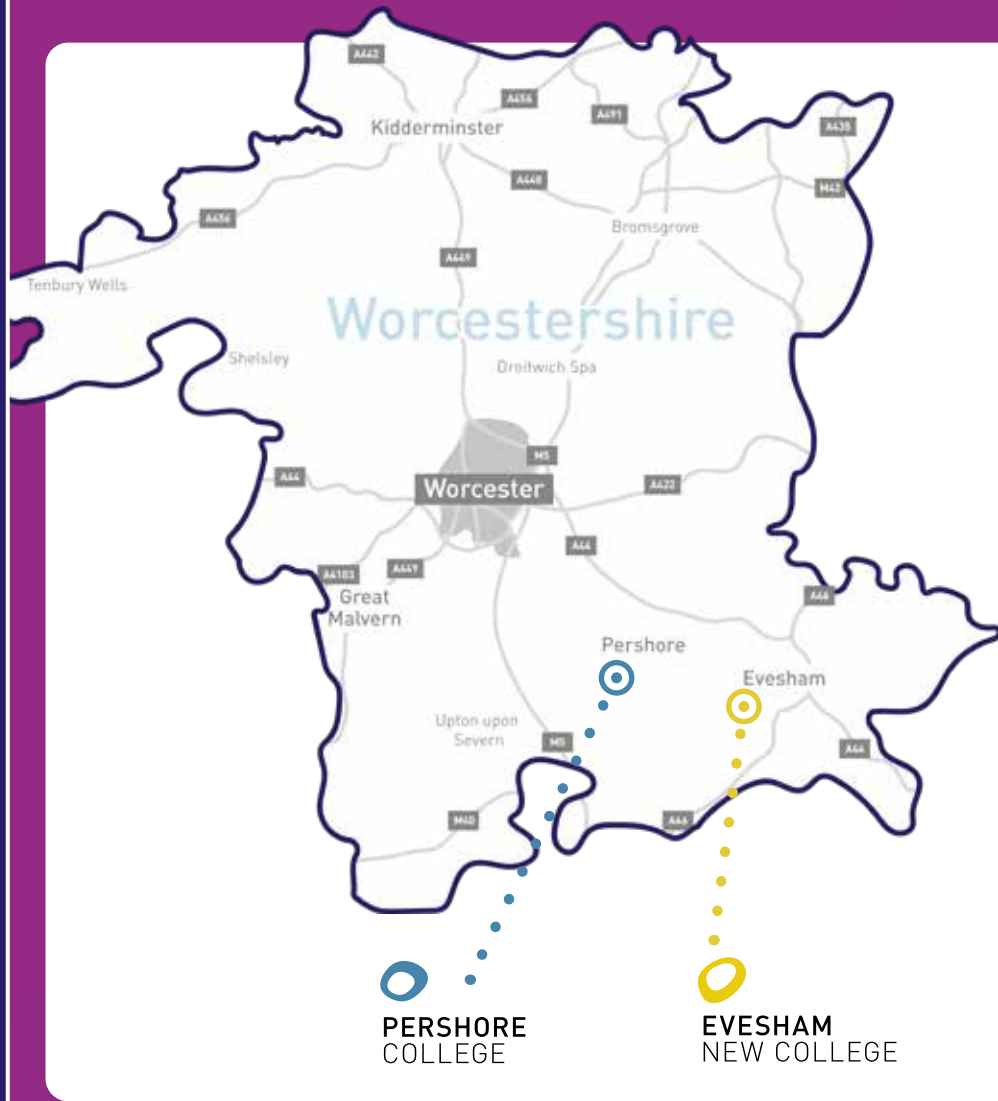

- Engineering
- Motor Vehicle and Motorsport
- Apprenticeships

ENJOY

- First class laboratory and practical engineering workshops
- Advanced machining centre and robotic facilities
- Vehicle diagnostic equipment with management system analysers
- A wide range of training vehicles including Range Rover and Jaguar
- Specialist electric and hybrid vehicle training facility

COLLEGES

- Evesham New College
- Pershore College

TRAVEL LINKS

- Regular bus services to Evesham from around the county and from north Gloucestershire and Warwickshire
- Regular bus service from Worcester to Pershore and Evesham
- Train station in Pershore with a shuttle bus to the college
- For more information on getting to any of our colleges please go to wcg.ac.uk/transport or phone **0330 135 6592**

- Large industry standard motor vehicle training workshops
- Modern construction workshops

PERSHORE COLLEGE

Care | Growth | Excellence

Avonbank, Pershore, Worcestershire, WR10 3JP

 @PershoreCollege

 @PerCollegeWCG

 @PershoreColWCG

 @percolwgc

Surely one of the country's most spectacular college locations, Pershore College sits in 60 hectares of beautiful countryside just on the edge of Pershore.

WHAT'S ON OFFER

- Animal Welfare
- Health and Social Care
- Horticulture, Landscaping and Gardening
- Re-engagement Programmes
- Sport (Leamington FC Football Academy)
- Supported Learning Programmes
- Apprenticeships (inc. Veterinary Nursing)

ENJOY

- Exotic plant collections supported by modern greenhouse technology
- Soil and plant science laboratories
- Landscape design studios
- Veterinary nursing suite
- Specialist Animal Centre
- Dedicated health and social care suite
- Garden Centre and plant nurseries
- Sports facilities
- Tennis centre
- Agri-Tech research centre

At WCG our approach to A Levels is to provide a range of subjects which are often not available in school sixth forms. Our focus is on delivering a range of social science and related subjects. These can be valuable for learners looking to progress to university in specific disciplines such as psychology, sociology or criminology.

Learners choose three subjects from the range we have available and will take an AS Level exam in year 1, followed by the full A Level in year two.

In 2023 we achieved a **100% pass rate*** in **English Literature** and **Business Studies** along with pass rates of 90% and above in the other subjects studied.

We provide students with an adult learning environment where they have the independence to take control of their studies which sets them up for success at university and the working world.

Our high-quality resources at **Royal Leamington Spa College** and **Rugby College** include expansive libraries, dedicated study areas, friendly tutors and all of the leisure facilities you'd expect at college. Our personalised study programmes mean there's truly something for everyone.

SUBJECTS AVAILABLE

COURSE	ROYAL LEAMINGTON SPA COLLEGE	RUGBY COLLEGE
Applied Law (BTEC)	Yes	Yes
Business Studies	Yes	
Criminology	Yes	Yes
English Literature	Yes	
Psychology	Yes	Yes
Sociology	Yes	Yes

*2023 A Level results

“

I got up really early and had been up a couple of hours before the results were released.

I'm very happy to have got what I wanted. I had never studied these subjects before, but after going to the open day at the college, it seemed like the right place for me. I'm heading to the University of Birmingham to study Liberal Arts and looking forward to the future!

Ben Upton – Achieved A* in Psychology, A in Sociology and Distinction star in Applied Law at Royal Leamington Spa College

“

I really enjoyed studying at Rugby College – it's been a great experience and the teachers have all been fantastic.

I've always had an interest in the subjects I chose, and I'm now looking forward to studying Psychology with Criminology at Birmingham University. I've not got a specific career goal in mind but eventually hope to be involved in rehabilitation in the criminal justice system.

Wiktorja Pawlus – Achieved an A in a Diploma in Criminology, B in A Level Psychology and B in A Level Sociology

“

I'm really happy that the work I put in has paid off. I'm going to the University of the West of England now to study Paramedic Science.

During my course I've been working at Royal Leamington Spa Nursing Home. The freedom and flexibility of being at the college has allowed me to do that. The end goal is to be a paramedic for The Air Ambulance Service!

Olivia Davies – Achieved triple Distinction* in Health and Social Care at Royal Leamington Spa College

“

I got the grades I needed to go to university so I'm very pleased. I decided to study engineering as I enjoyed it at GCSE, but there weren't many colleges offering Engineering near me.

Warwick Trident College had good reviews so I decided to go there. In my first year we had a maths exam and I struggled, so I thought I might have to leave the college, but I revised really hard and that has set me up for today. I'm going to Nottingham Trent University to study Product Design.

Charlie Gibson – Achieved triple Distinction in his National Extended Diploma in Engineering at Warwick Trident College

“

I really enjoyed my course, especially the diversity of the animals we studied and have had a wonderful time studying at Pershore College.

Getting my results has been great and I am delighted my high marks have secured my university place at Harper Adams University, which take me one step closer to my dream career as an animal behaviourist.

Emma Richardson – Achieved a triple Distinction* in her Extended Diploma in Animal Management at Pershore College

“

It was a first-year manga project that sparked my imagination. Before attending I had never worked in graphics but the course has introduced me to a whole new creative world.

Although I had initially struggled getting to grips with the graphics software, the Evesham tutors were so supportive and I really enjoyed my two years on the course. I am very happy with my results and thrilled to continue studying illustration at university in September. Alongside drawing, I am also learning Japanese and have future ambitions to work in the comic book industry in Japan.

Edward Jones-Dee – Achieved Distinction* and double Distinction in his Art and Design Practice course at Evesham New College

T-LEVELS

THE NEXT LEVEL QUALIFICATION

T Levels are a new qualification designed to give you a head start towards the future you want. The two-year T Level qualification brings classroom and work placement together on a course designed alongside employers and businesses.

Your T Level will help you to your next step - whether this is straight into your chosen career, an apprenticeship or a degree.

T Levels give you the opportunity to experience an industry while you continue your studies, with the opportunity to specialise later. While gaining practical experience, you also achieve the qualifications needed to move into a higher level of study, if you choose.

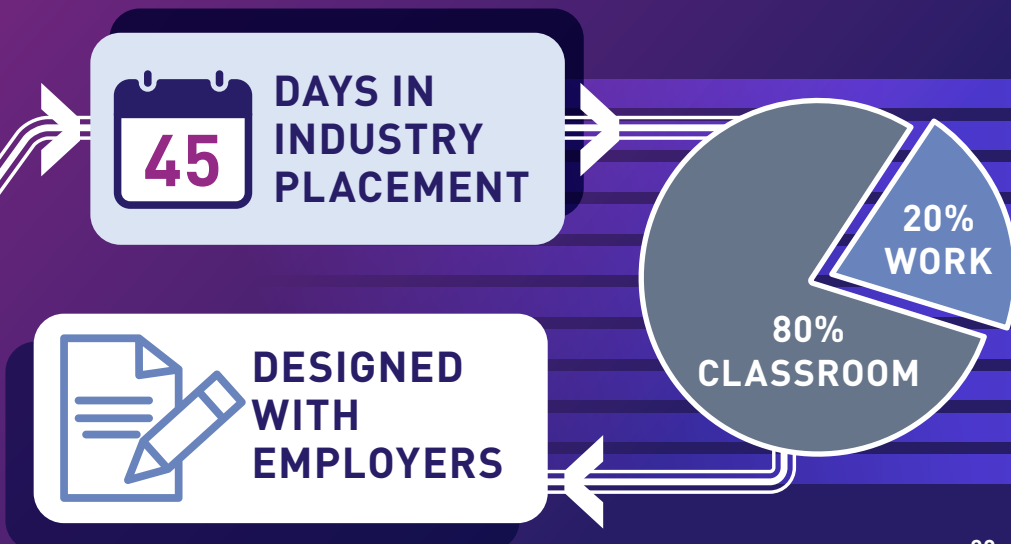

HOW ARE T LEVELS GRADED?

To help T Level students get into higher education, UCAS tariff points have been allocated to T Levels, which means they will be equivalent to three A Levels. UCAS points will only be allocated to the overall T Level grade, so you must achieve at least an overall pass grade to receive UCAS points.

WE OFFER T LEVELS IN THE FOLLOWING SUBJECTS:

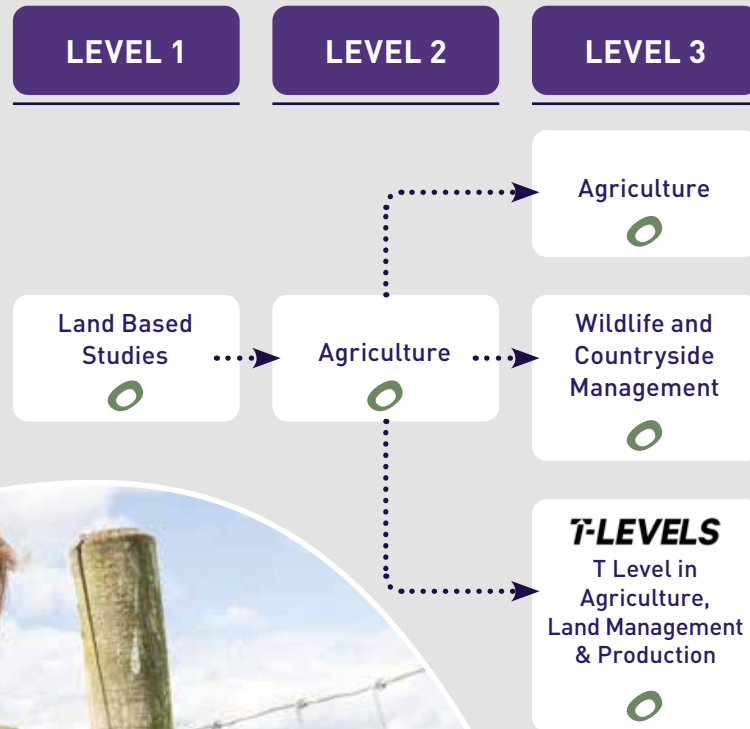

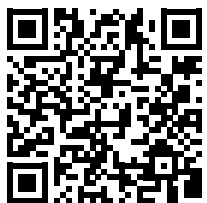

- Agriculture, Land Management & Production
- Animal Care & Management
- Building Services for Construction
- Business & Administration
- Digital Support Services
- Early Years Education & Childcare
- Engineering - Manufacturing, Design & Development
- Equine Care & Management
- Fashion & Textile Maker
- Furniture Maker
- Health
- Media, Broadcast & Production: Content Creation

**START
SOMETHING**

Prince's Trust, Headstart and Positive Choices programmes support you to develop your skills and improve your confidence and self-esteem whilst you gain a qualification that will help you progress onto further education or employment.

As part of these programmes you will have the opportunity to:

- Take on your own group community project and make a positive difference to the place where you live
- Complete enterprise projects and fundraising activities
- Complete work experience placements in something you're interested in
- Develop your English and maths skills

Visit wcg.ac.uk/princestrust to find out more.

Sport

Leamington
FC Football
Academy - Sports
Coaching and
Development

If you love to play football and are looking for an opportunity to combine playing with your studies, then our Academy may be just right for you!

Run in conjunction with Leamington FC, our Football Academy allows you to study a Level 3 Extended Diploma in Sport whilst benefiting from regular football practice and games. Many of our learners progress from this programme into careers in the sports industry or to higher education in sports-related subjects.

Students will be coached by UEFA and FA qualified club coaches, who are also current 1st team players. The programme includes up to 10 hours of additional football each week, playing fixtures in the AoC College League or the Academy League, depending on ability.

Chosen players on a weekly basis will be rewarded by training with Leamington FC 1st team, who currently play only two divisions outside the football league. Outstanding players will be given the opportunity to trial at professional clubs.

See wcg.ac.uk/leamingtonfc for more information about the benefits that come with this exciting programme.

Our supported learning programmes are suitable for learners with learning difficulties or disabilities.

Each programme is tailored to individual students' needs and helps to develop a mixture of interests and skills in a supportive environment.

Learners on the Foundation Skills Programme are offered personalised learning opportunities.

These help them gain credit at Entry Level and Level 1, on a learning journey leading to a range of appropriate destinations such as Level 2 qualifications, supported employment or independent living.

FULL-TIME STUDY PROGRAMMES INCLUDE:

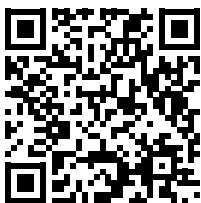

- Foundation Catering (Leamington)
- Skillbuilder (Leamington and Pershore)
- Pathways (Rugby)
- Countryside Skills (Moreton Morrell)
- Multiskills (Moreton Morrell)
- Ready for Adulthood (Leamington, Rugby, Moreton Morrell and Pershore)
- Supported Internships (Leamington, Rugby, Moreton Morrell and Pershore)
- Foundation Skills Programme - Landbased (Gardening, Countryside Skills, Animal Welfare) (Pershore)

For more information on the programmes available visit wcg.ac.uk/supportedlearning or contact us on **0300 456 0049** or email info@wcg.ac.uk.

GET FANTASTIC ON-THE-JOB EXPERIENCE WITH AN APPRENTICESHIP

With an apprenticeship you can earn while you learn. They are the ideal way to develop knowledge, skills and behaviours within the workplace while undertaking study. You will combine industry training with college, gaining experience and qualifications. You will need an employer to take part in an apprenticeship but we can help you with that.

WHAT AREAS DO APPRENTICESHIPS COVER?

Pretty much anything! The majority of our apprenticeships are in technical subjects, but we cover lots of other subjects too.

- Accounting
- Animal Care (inc. Dog Groomer)
- Business Administration
- Carpentry and Joinery
- Construction
- Customer Service
- Dental Nursing
- Early Years
- Electrician
- Engineering
- Equine and Farriery
- Events
- Farm Worker
- Hair
- Horticulture (inc. Sports Turf and Golf Greenkeeping)
- Hospitality and Catering
- IT
- Land based Service Engineering
- Marketing
- Motor Vehicle
- Plumbing
- Trees and Timber
- Veterinary Nursing
- Welding

You will work towards an employer-led Apprenticeship Standard. Dependent on the discipline and sector this could include a range of qualifications such as an NVQ, a Technical Certificate and Functional Skills.

WHAT ARE THE BENEFITS

- Work alongside experienced staff
- Earn a wage and get holiday pay
- Develop transferable skills that can be used across a range of industries
- Enhance future career prospects
- Build your confidence
- Degree apprenticeship progression opportunities

HOW TO APPLY

Visit our website for more information on all of the apprenticeships we offer and also to see our live vacancies. You can register your interest in a particular apprenticeship or apply for a job straight away if there's a suitable vacancy. We are constantly adding new vacancies so don't be disappointed if there isn't one for you; get in contact and we'll be able to help!

WARWICKSHIRE COLLEGE AND UNIVERSITY CENTRE

We were granted degree awarding powers in 2021, which means that we can now design and award our own full three-year Honours degrees, as well as continuing to award our own Foundation degrees.

We have been running higher education programmes for over 30 years at **Warwickshire College and University Centre (WCUC)** and these powers are awarded following a rigorous assessment process spanning several months.

We pride ourselves on offering qualifications and apprenticeships aligned to key industries and jobs, and we can now apply this to our own degree courses by ensuring all of our degrees have a technical or professional focus. This means that many students who begin a course with us after leaving school at 16 now have the option to stay at college and progress on to a full three-year Honours degree.

INDUSTRY PARTNERSHIP

WCUC has strong industry links that enhance our graduate employability prospects. Our degrees are designed with advice from employers and industry to ensure that our courses educate, challenge and inspire you. Our students develop employability skills and behaviours for the modern workplace.

A FLEXIBLE APPROACH

We offer a diverse range of full and part-time courses from Honours to Foundation Degrees, HNCs and HNDs to suit your situation.

HIGH QUALITY

Our robust quality assurances and academic standards have allowed us to be granted the power to award our own Foundation and Bachelor Degrees.

SMALL CLASS SIZES

Having a more focused environment means you benefit from more one-to-one time with your lecturers and allows us to tailor your course to suit you and achieve your true potential.

COME AND SEE US

Visit wcg.ac.uk/openevents to book onto any of our college open events, see the facilities and talk to staff about our courses.

APPLY NOW

All of our full-time courses can be found at wcg.ac.uk/study. Simply find the course using the search function and click 'Apply'. You will need to provide some basic information before you submit your application.

WHAT HAPPENS NEXT?

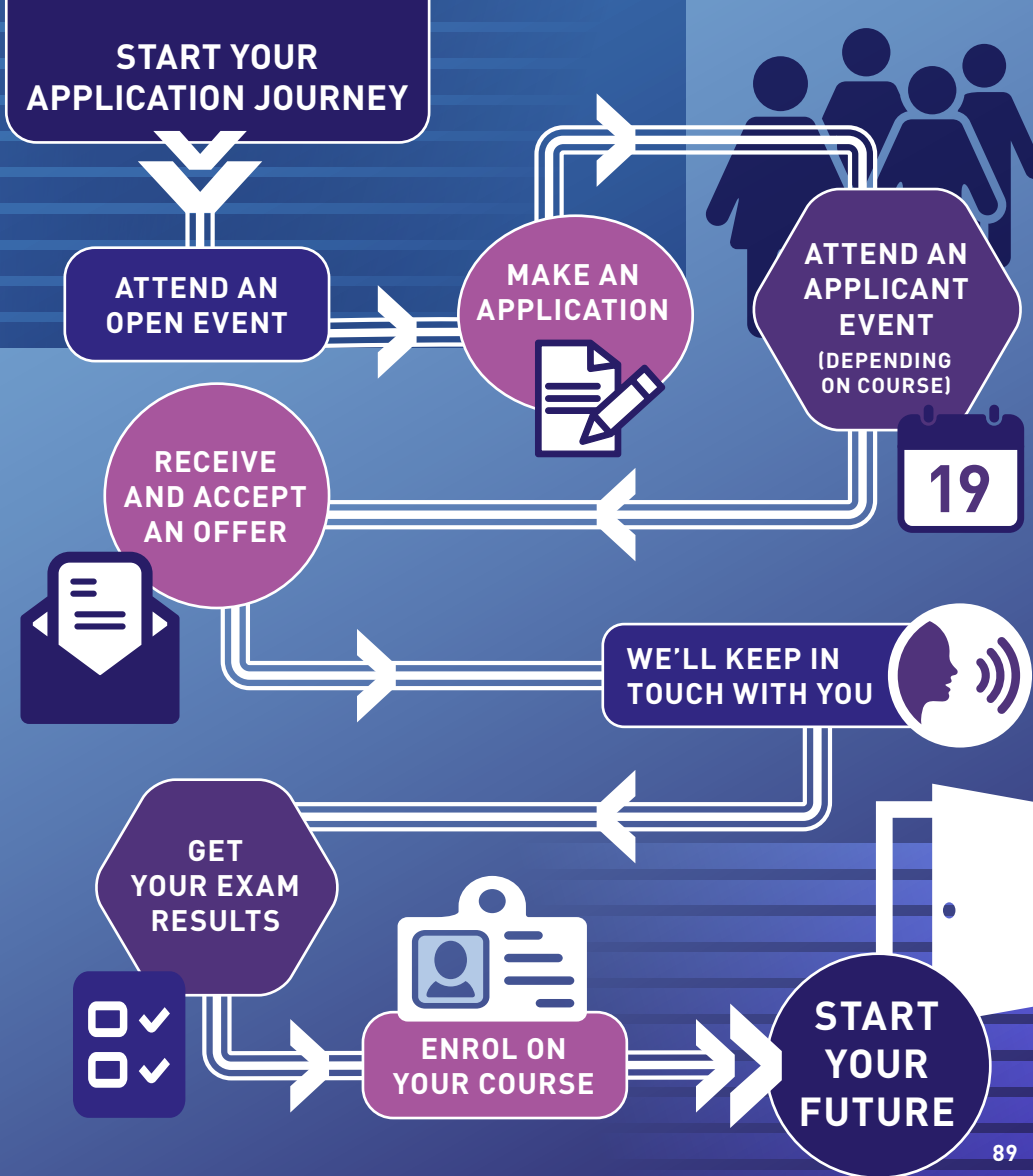

Once you have applied for a course, our Admissions Team will be in contact within 21 days to either offer you a place or invite you to attend an Applicant Event at the college. If you are unsure about which subject or course to choose, we offer high quality, free and independent careers advice at every college.

Our Careers Advice and Guidance team are happy to talk you through all your options confidentially and impartially.

Call **0300 456 0048** or email advice@wcg.ac.uk

HOW TO FIND US

Maps and directions to all of our colleges are at wcg.ac.uk/colleges. Please visit wcg.ac.uk for the latest information.

WCG is committed to ensuring that young people and vulnerable adults in our colleges are offered the information, advice and support that they need to stay safe and be able to actively participate in their education and training.

Our Safeguarding responsibilities do not just cover when a student is in college but also if matters outside of college put them at risk. We recognise our statutory duty to safeguard the welfare of our students and ensure that relevant and effective safeguarding practices exist and are actively promoted within the college.

PREVENT

The Government's Prevent strategy places a duty on Further Education Colleges to prevent people from being drawn into terrorism. WCG fully adheres to this duty and ensures that staff and students receive appropriate advice and support to understand the risks associated with radicalisation and extremism.

The Prevent duty is embedded within the college safeguarding responsibilities and any concerns can be raised through the team of Designated Persons.

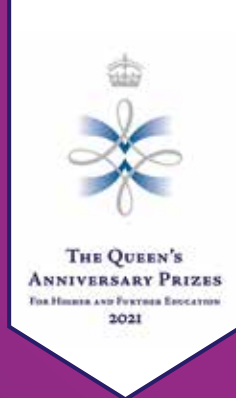

BRITISH VALUES

At WCG we promote the four key British values of **democracy, mutual respect and tolerance of different faiths and beliefs, the rule of law and individual liberty.**

Every effort has been made to ensure this guide was correct at the time of publication. WCG reserves the right to review or cancel subjects or courses. New courses are always in development and may therefore be subject to approval. Entry requirements are for guidance only. We welcome students with equivalent qualifications and combinations but please contact us to discuss further.

Please visit our website for the latest information. Terms and conditions apply. Warwickshire College and University Centre, WCUC, Warwickshire College Group and WCG are trading names of Warwickshire College.

Visit **wcg.ac.uk** for full course details
and to find out about all of our colleges.
