# LEAMINGTON FC ACADEMIC AND SPORTING EXCELLENCE PROGRAMME WITH MORETON MORRELL COLLEGE

**Moreton Morrell College, in association with Leamington FC** is delighted to offer its **men's football academy of sporting excellence (ASE)**, where students will be coached by UEFA and FA qualified club coaches, who are also current 1st team players.

The course is over **5 days a week** where players benefit from **up to 10 hours of additional football a week** and **play their fixtures in the AoC college league or the Academy league**, depending on their ability. Students will also benefit from **free match tickets to all Leamington FC fixtures**. Students will have the opportunity to **support the club in a variety of roles** on matchdays, such as acting as matchday stewards, as well as benefiting from work experience opportunities that will develop essential employability skills.

- › Twice-yearly appraisals with each player
- › Strength and conditioning programme
- › Free access to physiotherapy and rehab from the club
- › Nutritional advice and plans

**Chosen players on a weekly basis** will be rewarded by **training with Leamington FC 1st team**, who currently play only two divisions outside the football league. Outstanding players will be given the opportunity to trial at professional clubs.

Academically, students will also study a **2 year Level 3 Diploma in Sport and Physical Activities** which focuses heavily on the coaching principles, anatomy and physiology and the fitness demands required for sports performance. **This qualification is equivalent to two A levels and prepares students to go on to higher education or into the workplace.**

## COURSE CONTENT

For the Level 3 Diploma in Sport and Physical Activities students must study the following 8 units:

- 1) Apply Physiology to sport and physical activity
- 2) Apply Nutrition to sport and physical activity
