TESTIMONIALS

From the time you arrive you are looked after in a very professional and friendly way.

We have been using Rugby College for some years now and can say that they do it right. People, food, meeting rooms, service, nothing seems to be too much trouble. When you do ask for something special or a little out of the ordinary, the whole team is keen to help and assist. A perfect solution for our meetings.

Sophie Morley, Education Safeguarding Children

I find Warwick Trident College to be the very best value for money in Warwickshire.

It has excellent facilities, catering, and on-site parking. The staff are always welcoming, professional and provide a first-class service.

Highly recommended – five stars!

Paula Bentley, National Grid

May I say a big thank you for your hospitality at the weekend and special thanks also to the catering team.

I have received considerable positive feedback from the chess players who attended the event concerning the excellent quality of customer service and delicious food in the refectory. I look forward to meeting you all again soon and holding our next event at your venue.
